<p>CAPITAL ARTICLE 6</p> <p>The Company has adopted the registered capital system in accordance with the provisions of Law No. 6362 and transitioned to the “Registered Capital” system with the approval of the Capital Markets Board dated 10/03/2016 and numbered 9/273.</p> <p>The registered capital ceiling of the Company is TRY 3,000,000,000, divided into 300,000,000,000 registered shares, each with a nominal value of TRY 0.01 (one kuruş).</p> <p>The authorization granted by the Capital Markets Board for the registered capital ceiling is valid for the years 2025–2029 (five years). Even if the registered capital ceiling authorized has not been reached by the end of 2029, in order for the Board of Directors to be able to resolve on a capital increase after 2029, it shall be mandatory to obtain authorization from the Capital Markets Board for the previously authorized ceiling or for a new ceiling amount and to obtain authorization from the General Assembly for a new period not exceeding five years. In the absence of such authorization, a capital increase cannot be resolved upon by a resolution of the Board of Directors.</p> <p>The issued capital of the Company amounts to TRY 127,773,765.72, and such issued capital has been fully paid in a bona fide manner, free from any collusion.</p> <p>The issued capital, which previously amounted to TRY 700,000,000, has been reduced by a total amount of TRY 595,755,646.04 to TRY 104,244,353.96 by offsetting and recording as credit (i) TRY 504,863,038.01 to the Capital Adjustment Positive Differences account, (ii) TRY 81,297,659.42 to the Inflation Adjustment Differences of Share Premiums account, and (iii) TRY 9,594,948.61 to the Revaluation Surplus Fund account, all of which were derived from fully paid capital; and simultaneously, a capital increase in the amount of TRY 23,529,411.76, fully paid in cash, has been carried out, thereby increasing the issued capital to TRY 127,773,765.72. The shares representing the capital are monitored in dematerialized form in accordance with dematerialization principles. The capital of the Company may be increased or decreased when necessary in accordance with the provisions of the Turkish Commercial Code and the Capital Markets legislation.</p> <p>The Board of Directors is authorized, in accordance with the provisions of the Capital Markets Law, to increase the issued capital up to the registered capital ceiling by issuing new shares whenever it deems necessary, and to resolve on the restriction of the rights of privileged shareholders, the limitation of pre-emptive rights of shareholders, and the issuance of shares at a premium or below their nominal value. The authority to restrict pre-emptive rights may not be exercised in a manner that would result in inequality among shareholders.</p>	<p>CAPITAL ARTICLE 6</p> <p>The Company has adopted the registered capital system in accordance with the provisions of Law No. 6362 and transitioned to the “Registered Capital” system with the approval of the Capital Markets Board dated 10/03/2016 and numbered 9/273.</p> <p>The registered capital ceiling of the Company is <u>TRY 8,000,000,000</u> divided into <u>800,000,000,000</u> registered shares, each with a nominal value of TRY 0.01 (one kuruş).</p> <p>The authorization granted by the Capital Markets Board for the registered capital ceiling is valid for the years 2025–2029 (five years).
