As per the Capital Markets Board Corporate Governance communiqué 1.3.6 the assembly was informed of the said transactions carried out in 2025.

16. As per the sixteenth agenda item, wishes & requests were listened to at this part of the Meeting. Mr. Ahmet İleriş Kaan ERDEMİR, one of the participants, raised a question and stated:

“First of all, congratulations on the successful year. As far as I can see, there have been some changes in the Company’s senior management. One point that caught my attention is whether Ms. Burcu Geriş, the former CFO, left of her own accord. As I recall, she previously stated so on social media. If that is the case, it is being said that compensation of approximately EUR 1,000,000 was paid. Is this correct? Because if this amount is accurate, including taxes, we are talking about payment that has a significant impact on the announced profit. Was this payment made from shareholders’ funds, or was it covered by ADP? If it was covered by ADP, then there is no issue; however, if it was paid from shareholders’ funds, why was such a large amount paid to someone who left voluntarily? I assume she was not an unsuccessful CFO, given that she immediately joined Petrol Ofisi. Are the Independent Members of the Board of Directors aware of these matters? Thank you.” The Chief Executive Officer (CEO) of our Company, Vehbi Serkan KAPTAN, provided information to the General Assembly on the matter. No further questions were raised.

17. Lastly, the meeting was finalized and the minutes to the meeting (composed of four copies) and the list of attendees were prepared and signed by the meeting council and ministry representatives.
